[I was very glad of the meeting
with thyself and thy brother at
the Broad St. Station today -
Have often thought of your
kind family, since your
previous one was gathered
to their Heavenly Home...]

My dear Friend —

From "Friends Religious & Moral Almanac" for 1862 — 5th mo.

Philadelphia Yearly Meeting commences on the third Second-day in the Tenth Month this year, assembling on the 13th inst — at 10 o'clock A.M. —

I was so glad of the short visit with thyself and the brother at the Quarterly Meeting — dear Friend — how thankful I am for your long journey — since your precious son was gathered to his Heavenly Home — and where for him — the heavenly Father's the release from all trouble

pain & the uncertainty of all earthly things, must have been a blessed & very helpful change;— for you the long and deep affliction of parting must be very great — only to be reconciled by the sacred assurance that we are all in the Divine Keeping of Infinite Love. & all his ways are right — & how sustaining the promise of the Lord Jesus to his disciples— you may — "I will pray the Father and he shall send you another Comforter even the Spirit of Truth that he shall abide with you forever."

When the mother becomes more settled I want to call upon a number of my friends — who have had

sickness and trouble — Since
my own illness last Feb
I have had to be more
careful than previously in
going out — And am find
at this variable season of
the year that getting to
Unity is my best for the
comfort of my family is about
all I accomplish —

With kind regards
to you all — My Sincere
friend
